ECO Tip from The ECO Team

 ECO TIP: A Little Autumn Kindness for Nature! 

Autumn is well and truly upon us, so let's give nature a helping hand! Leave seed heads standing to feed hungry birds, create cosy log piles for hibernating creatures, and plant spring bulbs for early pollinators. God's creation never stops giving, so let's give a little back!

This autumn, pop on your wellies, wrap up warm and make your garden a haven for wildlife. Every little act of kindness makes a huge difference to our mini beasts and native wildlife!
