🌿 Eco Tip: Get Creative with Christmas Gifts!

Who doesn't love a present made with a little imagination and lots of love? This Christmas, why not swap a shopping trip for a bit of creative fun? Whip up some homemade chutney, festive cookies or fudge; make scented candles, decorate jam jars, knit a cosy scarf. Even an old teacup can become a charming little planter! Raid your cupboards, rescue those leftover ribbons and pretty papers, and see what treasures you can transform. Get friends and family involved and make an afternoon of it! Handmade gifts are kinder to the planet, easy on the pocket and guaranteed to bring a smile. After all, the best presents aren't always bought; they're made with love! 🎄
